

SUBJECT: ELIQUIS 360 Support – Co-Pay/Free Trial Offer URL Link

Dear Health Care Provider:

The ELIQUIS 360 Support team has created a URL your office can use to access and print pre-activated ELIQUIS® (apixaban) Free Trial Offer* and (activation required) Co-Pay cards for your appropriate patients. This temporary URL has been created to provide access to these materials during this time of social distancing while our Field Representatives cannot provide these materials to you in person. Below is the URL for use during this time

<https://mprsetrial.mckesson.com/6822/landingPage.html?src=RAMP>

The URL's availability has been extended until June 1, 2020.

Please utilize the URL provided to access an electronic version of the following:

- Affordability materials
 - ELIQUIS Co-pay Card* (for eligible commercially insured patients, Activation is required)
 - ELIQUIS Pre-Activated 30-day Free Trial Offer* (for patients who have not previously filled an ELIQUIS prescription)

Note: If your institution already has a URL, you should continue to use that specific URL.

The portal also includes ELIQUIS Important Safety Information, Full US Prescribing Information and Medication Guide.

* All Terms & Conditions apply. Bristol Myers Squibb and Pfizer reserve the right to rescind, revoke, amend, and discontinue this offer at any time without notice.

Click here for: [US Full Prescribing Information](#) including Boxed WARNINGS and [Medication Guide](#).

If you have any questions please contact your ELIQUIS Field Representative.

Sincerely,

The ELIQUIS 360 Support team
